- Part C Decision Planner for Central MAT/LGB Additional Responsibilities Delegation
- Part D Decision Planner for Central MAT/School Extended Health and Safety Delegation

#### Part E – MAT Finance Delegation

A well organised Board of Directors can spread its statutory workload by setting up sub-committees and delegating tasks to these committees, or in some instances to individuals. This delegation planner covers legal responsibilities pertaining to the academy schools within ADMAT.

The Board of Directors are accountable in law for all major decisions about the trust and its future. However, this does not mean that they are required to carry out all the work themselves. For example; Boards of Directors have a responsibility to ensure that their academies have a pay policy, but they would not be expected to draft it themselves. This task can be delegated to a member of the academy staff or a small designated group of directors and/or local governors; alternatively the Board can adopt model policies. The Board will then discuss and amend/endorse and adopt the policy as necessary.

It is important to remember that the Board of Directors, its committees and the Local Governing Boards (LGB) do not represent constituencies. For example: Parent governors do not represent the parents, the staff governors do not represent the staff. Each director or local governor has equal voting weight within their delegated responsibilities. The Chair of the Board or Chair of Local Governors will have a casting vote if required.

This planner shows to which level the ADMAT Board of Directors have legally delegated their main functions to committees and individuals.

These delegated responsibilities and/or resulting decisions made by the committees may be subject to change by the full Board of Directors.

Committees and local governors must remember that although decisions may be delegated, the Board of Directors as a whole remains responsible for any decision made under that delegation.

#### **Decision Level Key**

**Level 1**: Full Board of Directors (F)

Level 2: Committee of the Directors (e.g. LSS, FRS, Au, LGB)

Level 3: Individual Director (I)

Level 4: Chief Executive Officer (E)

✓ Indicates level required by ADMAT Board of Directors.

Column blank: Action could be undertaken by this level.

**Column blocked off:** Function cannot be legally carried out at this level.

#### Part B - Decision Planner for Church Variation - Delegation

Scheme of delegation for governance of converter Church of England Academies in 'Community' led MATs; intended as a 'variation' of (or addition to) the MAT's normal scheme of delegation for local governance.

#### Aims:

- To ensure that the education in the school continues to promote life in all its fullness for all children
- To ensure the continuing involvement of the Diocese of Truro and Exeter in ensuring that the Academies are governed in accordance with the principles of the Church of England
- To protect, project and develop the Christian character and distinctiveness of the Church of England Academies in partnership with the church at Parish, Deanery and Diocesan level
- To clarify the respective roles of the Diocesan Boards of Education, Askel Veur (The Diocese
  of Truro's Academies Umbrella Trust), Eden (The Diocese of Eden's Academies Umbrella
  Trust), the MAT Board and the Local Governance of the relevant Church of England
  Academy.
