<p>21</p>	<p>How could we improve Coads Green Primary School?</p> <p>School response Feb 2022</p>	<p>Just keep up the great work!</p> <p>Hard to say as small complaints are due to Covid so out of the school's hands</p> <p>I can't think of anything – sorry!</p> <p>More trips in Class 3 – could be Covid related though Possibly more exposure to music and creativity, outdoor forest school and nature activities</p> <p>Covid restrictions now lifted and planned events in place for all classes for Spring term 22, in addition to 2 x planned residentials</p> <p>Reading records are not looked at by staff and comments made by parents are not responded to promptly Followed up through staff discussion as a matter of urgency. Daily DEAR time in place and record sheets used to monitor weekly reading</p> <p>The system for paying for dinners and clubs could be improved i.e., not being able to pay for that day's dinner before they have had it or being able to put an exact amount for an after-school club before they attend</p> <p>Communication – we have found out about some things from other people Planned parent info session regarding Teachers 2 Parents – the system used</p> <p>Better after school provision – as in hobby clubs (art, music etc)</p> <p>I am very happy with the running of the school and up to date, can't think of and improvements needed from a parent's point of view</p> <p>As a school in general think it is run very well and all the children seem happy and well adjusted. So, whilst there is always room for improvement, it is difficult to say where.</p>
